NOTE: Tuition will be the full amount within the first 30 days. After that, it will be pro-rated on a per day basis.

METHOD OF PAYMENT FOR TUITION:

The tuition can be paid monthly, by semester, or in one payment due by the first day of school. If balance is paid in full by the first day of school, amount will reflect a 5% discount. If tuition is paid monthly, it is due by the first of the month, beginning in June, and is spread over 12 months for a student enrolling for the entire school year. **Also, effective June 1, 2022 all accounts paid on a monthly basis MUST be set up on auto-draft!!** All accounts must be kept current. If an account is over 30 days past due, the student(s) could be dismissed from school. Accounts that are over 30 days will be assessed a 1.5% monthly finance charge or 18% per year.

NOTE: Book fees will be determined by curriculum choices. All students that return books in good condition will receive a credit of 75% of book value towards next year's book purchase, or you have the option of selling books to a rising student.

ITEMS OF INTEREST:

1. The Academy is a Christian School but not sponsored by a church. Since we have children from many denominations enrolled in our school, our Bible classes offered Pre-K through 12th grade, focus on Bible history and facts, not doctrine. Christian habits and attitudes are reinforced by the examples set by our faculty and staff. There will also be daily devotions in grades Pre-K through 12th.
2. The Academy sponsors several fund-raising projects throughout the year. Participating in these projects is not a requirement but is strongly encouraged since the tuition pays only a portion of the total operational costs of the Academy.
3. The average teacher-student ratio in our class is 1-10.
4. The Academy has a strong academic curriculum. The A Beka Program is used in Grades K3-8. There is a heavy emphasis on preparation for college for students. At least 95 percent of our graduates (and often all of the graduates from a class) continue their education at one of our colleges or universities.
5. We at the Academy emphasize parental involvement and encourage parents to volunteer in our classrooms. We have an active Academy Education Association composed of parents and faculty members. We also have an active Booster Club that not only administers the complete sports program of the Academy but also sponsors projects and activities for the elementary students.
6. Because of the small size of our student body and the fact that the school is housed in one building, there is a close relationship among the students of all ages. The older students serve as positive role models for the younger children.
7. The school was founded in 1968. This is our 54th year of operation.

8. The Academy is on a six-weeks marking period with report cards going out at that time. There are two grading periods that require parents to pick up their child's report cards. In addition to regular report cards, students in the primary grades take home folders containing their homework, classwork, and tests each week. Please implement our Sycamore program to monitor your child's grades, assignments, and daily progress.
9. Hot lunches are available every day through the cafeteria.
10. **EXTRA CURRICULAR ACTIVITIES.** The Academy sports program includes girls JV and Varsity volleyball, boys soccer, girls golf, Varsity football and cross country for both boys & girls in the fall; JV and Varsity hunter safety team and basketball in the winter – Middle School Boys, Middle School Girls, JV boys, JV Girls, Varsity Girls, and Varsity Boys. In the spring we have middle school, JV and Varsity Softball/Baseball, boys golf and girls soccer.
